Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I'm objecting to the development of the 10 and the 8 storey developments. They are far too high and will ruin Chorlton center. Even the 6 are a bit too high. Whilst I understand the need for extra housing I feel this would be oppressive to look at. I've lived in Chorlton all my life and slowly it's losing the character it once had. It was bad enough losing the precinct but to replace it with such an 'over development ' would just finish it off!
