Comment Details

Commenter Type: Neighbour
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:I object to the current plans because
- the number of buildings (6) with multiple storeys is too many to replace one single high storey building
- the proposed 6 x high storey buildings are too close to the road
- there are fewer shops than before
- there are no large retail units, as there were before
- there is no guarantee that the social housing will be built
