

This architectural floor plan shows a house with a central hall. On the left side, there is a large staircase and a room with a fireplace. The central hall leads to several rooms, including a kitchen, a dining area, and a living area. There are also two bedrooms and a bathroom. The plan includes various windows, doors, and built-in furniture like a fireplace and a kitchen unit. A large staircase is located in the center of the house, and a chimney is visible on the right side.

First Floor Plan 1:100

Second Floor Plan 1:100

obtained by scaling from this drawing. If no dimension is shown the designer must associate the dimension specifically from the Architect or by site measurement. Supplying this drawing in digital form is solely for convenience and no reliance may be placed on digital data. All costs must be checked against final copy. Dimensions must be checked on site. Any discrepancies must be reported to the Architect immediately. This drawing is copyright of Jennings Design Associates.
