Neighbour planning application – South Meade

As the owner of 5 South Meade, Chorlton, M218EB which is adjoining to 7 South Meade Chorlton M218EB, I Katie Bennett plan to do work which will partly take place on the boundary line. This has now been amended to include a 2 metre extension, rather than the 1.5 metre originally proposed. I confirm this has been designed in conjunction with the design that our neighbour at 7 South Meade are doing and we are both in agreement of a shared party wall being acceptable.

As the owner of 7 South Meade, Chorlton, M218EB which is adjoining to 5 South Meade Chorlton M218EB, I accept and allow the work to take place on boundary lines and accept the proposed alterations to the plans. The 2 metre extension will be visually more aligned with our own plans for a 2 metre extension.
