Part 1 – Particulars of the application/development

Proposal: Elevational alterations including infilling of first-floor windows, introduction of a new arched entrance and application of new external materials and installation of flue

Location: 453 Wilmslow Road, Manchester, M20 4AN

Date of application: 15 July 2025

Application number: 143214/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal does not improve the social and environmental conditions of the area, nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable, and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposed elevational alterations, including the infilling of first-floor windows, introduction of a new arched entrance, application of new external materials, and installation of signage above fascia level with no clear fascia delineation, would result in a visually incongruous and obtrusive form of development, which would not be sympathetic to the appearance of the street scene or its surrounding area, to the detriment of visual amenity and, as such, is contrary to Manchester City Council's Shopfront and Signage Design Guide, saved policies DC14, DC15 and E3.3 of the

Unitary Development Plan for the City of Manchester, policies SP1, EN1 and DM1 of the Manchester Core Strategy, policy JP-P1 of the Places for Everyone joint development plan document and chapter 12 of the National Planning Policy Framework.

2) The proposed elevational alterations, including the infilling of first-floor windows, introduction of a new arched entrance, application of new external materials, and installation of signage above fascia level with no clear fascia delineation, would remove original architectural features, introduce elements that are out-of-keeping with the surrounding shopfronts, and would fail to respect the established character of the Withington Conservation Area causing unnecessary visual harm and detriment to its special architectural and historic interest. As such, the proposal is contrary to Manchester City Council's Shopfront and Signage Design Guide, saved policy DC18 of the Unitary Development Plan for the City of Manchester, policy EN3 of the Manchester Core Strategy, policy JP-P2 of the Places for Everyone joint development plan document and chapter 16 of the National Planning Policy Framework.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
