Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I completely object to this development

Number [REDACTED] this property was rented out by an estate agent, please check with neighbours. Homeless people were put into this property and crime rate went up including robbery theft, drugs, stealing parcels from home... People would come into the property wearing balaclava on motor bikes and cycles, loud music and rude with anyone who would intervene.

Police were always called out on a regular basis due to disturbance.

People left notes on their doors to inform the post man to not leave parcels out.

I will put this on our local group and I'm sure if people haven't already will be objecting to this development.

25,000 migrants have already entered the country and sure there will be many more.
