

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Town & Country Planning Act 1990 (as amended)

Planning Permission

Applicant

Lidl Great Britain Limited
C/o Agent

Agent (if used)

Mr Jake Challinor-Smith
Rapleys LLP
York House
York Street
Manchester
M2 3BB

Part 1 – Particulars of the application/development

Proposal: Erection of discount food store (Use Class E) with associated car parking and landscaping.

Location: Lidl Food Store, 263 Wilmslow Road, Manchester, M14 5LN

Date of application: 9 May 2025

Application number: 142775/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Drawing referenced P401 (Site Location Plan), received by the City Council as Local Planning Authority on 23 April 2025, drawing referenced P200/F (Proposed Elevations),

received by the City Council as Local Planning Authority on 15 July 2025, drawings referenced P408/F (Proposed Surfacing Site Plan), P400/I (Proposed GA Site Plan), R/2801/1F (Landscape Details), DWG 00/Rev 4 (LiAs Design Notes and Luminaire Schedule) and DWG 01/4 (Proposed Lighting Layout), received by the City Council as Local Planning Authority on 5 August 2025 and drawings referenced P100/E (Proposed Ground Floor Plan) and P409/G (Proposed Boundary Treatments Site Plan), received by the City Council as Local Planning Authority on 11 August 2025.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) No above ground development that is hereby approved shall commence unless and until samples and specifications of all other materials to be used on all external elevations of the development, have been submitted to and approved in writing by the City Council as Local Planning Authority. The development shall only be implemented in accordance with the agreed materials.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning authority, in the interests of the visual amenity, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

4) Prior to the commencement of development, a construction management outlining working practices during development shall be submitted to and approved in writing by the City Council as Local Planning Authority, which for the avoidance of doubt should include:

- Measures to control noise and vibrations;
- Dust suppression measures;
- Compound locations where relevant;
- Location, removal and recycling of waste;
- Detail of an emergency contact telephone number;
- Parking of construction vehicles; and
- Sheeting over of construction vehicles.

The development shall only be carried out in accordance with the approved construction management plan.

Reason - To safeguard the amenities of nearby residents pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy.

5) (a) Prior to occupation of the proposed retail store (Class E), details of a local labour agreement in order to demonstrate commitment to recruit local labour for the operational element of the development shall be submitted for approval in writing by the City Council, as Local Planning Authority.

(b) The approved document shall be implemented as part of the occupation of the development. Within six months of the first occupation of the development details of the results of the scheme shall be submitted for consideration.

Reason - To ensure the applicant has demonstrated a commitment to recruiting local labour, pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy.

6) The retail unit (Class E) hereby approved shall not be open outside the following hours:-

07:00 to 23.00 hrs Monday to Saturday.
10.00 to 18.00 hrs Sundays.

Reason - To safeguard residential amenity, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Manchester Core Strategy.

7) Deliveries, servicing and collections, including waste collections shall not take place outside of the following hours:

07.30 to 20.00 hrs Monday to Saturday;
10.00 to 18.00 hrs Sundays.

Reason - To safeguard the amenities of nearby occupiers, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

8) The development hereby approved shall only be implemented in accordance with the physical security specifications outlined within sections 3.3 and section 4 of the submitted Crime Impact Statement (Ref: 2024/0279/CIS/01- version A) dated 16 September 2024 received by the City Council as Local Planning Authority on 23 April 2025.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Manchester Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

9) Notwithstanding details submitted, the development hereby approved shall not be occupied until space and facilities for staff and visitor bicycle parking have been provided in accordance with details to be submitted to and approved in writing by the City Council as Local Planning authority. The bicycle parking shall be secure and weatherproofed and shall then be retained and permanently reserved for bicycle parking.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Manchester Core Strategy.

10) The landscaping scheme incorporating replacement tree planting shown on drawing referenced R/2801/1F (Landscape Details), received by the City Council as Local Planning Authority on 5 August 2025 shall be implemented in full prior to the first occupation of the development hereby approved. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1 and DM1 of the Manchester Core Strategy.

11) Prior to any site clearance or earthworks, a reasonable avoidance measures method statement for hedgehog and other mammals shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be carried out in accordance with the agreed details.

Reason - To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended and to comply with policy EN15 of the Manchester Core Strategy.

12) Prior to first occupation of the development hereby approved and in addition to biodiversity net gain requirements, a scheme for the enhancement of the site for ecological purposes shall be submitted to and agreed in writing by the City Council as Local Planning Authority. Details should include bat and bird boxes. The agreed scheme shall be implemented in accordance with a timescale to be agreed and retained and maintained thereafter.

Reason -To mitigate the loss of vegetation and to promote biodiversity, pursuant to policy EN15 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).

13) Notwithstanding details submitted, the development hereby approved shall not be occupied until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the positions, design, materials and type of any new boundary treatment/gates, including acoustic fencing to be erected. The development shall only be carried out in accordance with the approved details and shall thereafter be retained.

Reason - In the interests of security and to ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

14) Notwithstanding details submitted, prior to the first occupation of the food store (Class E) hereby approved, a Servicing Strategy shall be submitted to and agreed in writing by the City Council as Local Planning Authority. The strategy shall include details of the number and frequency of deliveries/collections, vehicle sizes, delivery times, noise management, access and safety arrangements. The agreed Strategy shall be implemented as part of the development and remain in use so long as the approved use is operational.

Reason - To mitigate harm to the operation of the highway and the amenity of noise sensitive occupiers, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

15) Notwithstanding details submitted, prior to the use hereby approved becoming operational, full details of electric car charging provision shall be submitted for approval in writing by the City Council, as Local Planning Authority. Details shall include the specification of the charger. The approved details shall then be implemented as part of the development and be in place prior to the commercial use becoming operational. The charging point shall be remain in use so long as the building is occupied.

Reason - In the interest of air quality, pursuant to policy EN16 of the Manchester Core Strategy.

16) The accessible parking spaces shown on drawing referenced P400/I (Proposed GA Site Plan), received by the City Council as Local Planning Authority on 5 August 2025 shall be implemented prior to the commercial unit hereby approved being occupied and be retained thereafter.

Reason - To ensure sufficient accessible car parking provision, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

17) Notwithstanding details submitted, the commercial unit hereby approved shall not be occupied until a scheme for the storage (including segregated waste recycling) and disposal of refuse has been submitted to and approved in writing by the City Council as Local Planning Authority. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of public health and residential amenity, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

18) a) Any externally mounted ancillary plant, equipment and servicing to be installed shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to its installation, the scheme shall be submitted to and approved in writing by the City Council as Local Planning Authority in order to secure a reduction in the level of noise emanating from the site.

b) Prior to any externally mounted ancillary plant, equipment and servicing to be installed becoming operational, an approved verification report shall be submitted to and approved in writing by the City Council as Local Planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non - conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1 and SP1 of the Manchester Core Strategy.

19) The development hereby approved shall only be implemented in accordance with the criteria and noise mitigation measures, including the use of acoustic barriers, as detailed within the submitted Noise Assessment (Ref: 103218), produced by Miller Goodall, dated 13 September 2024 and received by the City Council as Local Planning Authority on 23 April 2025. The development shall only be implemented in accordance with the agreed details which shall be retained thereafter.

Reason - To safeguard the amenity of nearby properties, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Manchester Core Strategy.

20) The development hereby approved shall only be implemented in accordance with the agreed lighting details shown on drawings referenced DWG 00/Rev 4 (LiAs Design Notes and Luminaire Schedule) and DWG 01/4 (Proposed Lighting Layout), received

by the City Council as Local Planning Authority on 5 August 2025. and shall remain in operation for so long as the development is occupied.

Reason - In the interests of amenity, crime reduction and the personal safety of those using the proposed development pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

21) If any lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as Local Planning Authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority.

Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

22) No signage of any type, including internal window vinyls shall be installed to any areas of glazing or curtain walling. Building advertisements shall be restricted solely to the billboard locations, as shown on drawing referenced P200/F (Proposed Elevations) received by the City Council as Local Planning Authority on 15 July 2025.

Reason - To prevent the proliferation of advertisement and to safeguard visual amenity, pursuant to saved policy E3.3 of the Unitary Development Plan for the City of Manchester and policies DM1, EN1 and SP1 of the Manchester Core Strategy.

23) Prior to occupation of the development hereby approved, full details of all necessary off-site highway works, shall be submitted to and approved in writing by the City Council as Local Planning Authority and be implemented in accordance with a timescale to be agreed by the City Council as Local Planning Authority. Such works shall include:

- The resurfacing of the footway adjoining the site along Wilmslow Road;

- A review of the existing Traffic Regulation Orders (TROs surrounding the site (if this has not already been conducted), with a view to introducing additional parking restrictions as appropriate, as well as ensuring adequate parking restrictions remain in place, and are refreshed accordingly;

- The addition of raised kerbs at the nearest bus stops to the site on Wilmslow Road to aid boarding and alighting;

- The provision of double yellow lines adjacent to the site access along Wilmslow Road;

- The provision of tactile paving to the footway adjacent to the site access on Wilmslow Road;

- The implementation of SCOOT control and green man controls to the traffic signals at Wilmslow Road/Platt Lane junctions;

- The junction improvements identified with the submitted Transport Assessment prepared by Core (Ref: T001 - Issue 3).

The development shall not be occupied until all the necessary off-site highway works have an agreed timescale for implementation.

Reason - In the interests of highway safety, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

24) The development hereby approved shall only be carried out in accordance with mitigation measures detailed within the submitted Air Quality Assessment produced by Miller Goodall (Ref: : 103218 - Version 1) dated 16 October 2024, received by the City Council, as Local Planning Authority on 23 April 2025.

Reason - To minimise the impact upon air quality and in order to minimise the environmental impact of the development, pursuant to policy EN16 of the Manchester Core Strategy, National Planning Guidance and National Planning Policy Framework (NPPF).

25) Notwithstanding details submitted, a detailed Travel Plan shall be submitted to and agreed in writing by the City Council as Local Planning Authority prior to first occupancy of the units hereby approved. In this condition a Travel Plan means a document which includes:

- (1) The measures proposed to be taken to reduce dependency on the private car by those attending or employed in the development;
- (2) A commitment to surveying the travel patterns of staff and customers during the first three months of the development and thereafter from time to time;
- (3) Mechanisms for the implementation of the measures to reduce dependency on the private car; and
- (4) Measures for the delivery of specified travel plan services; and measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car.

Within six months of the first use of the development, a revised Travel Plan which takes into account the information about travel patterns gathered pursuant to item (2) above shall be submitted to the City Council as local planning authority for approval. Any Travel Plan which has been approved by the City Council as local planning authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To reduce dependency on the car travel and to promote alternative means of transport, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

26) The development hereby approved shall be implemented in accordance with the measures contained within the submitted Energy Usage and Sustainability Statements, received by the City Council, as Local Planning Authority on 23 April 2025. The development shall only be implemented in accordance with the agreed measures.

Reason - In order to minimise the environmental impact of the development, pursuant to policies DM1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework.

27) Prior to the commencement of the development hereby approved,, a surface water drainage scheme for the development site, based on sustainable drainage principles, shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include:

-Progression through the drainage hierarchy must be evidence based and supported by site investigation including assessments of ground conditions and infiltration testing in accordance with BRE365. Proposals of attenuation should achieve half drain time within 24 hours.

-For surface water connections, evidence of agreement in principle from the relevant authority/service provider is required to ensure there is adequate spare capacity in the existing system taking future development requirements into account. An email of acceptance of proposed new connection will suffice.

-Finalised surface water drainage layout including all components, levels, connectivity and proposed overland flow routes for extreme events.

-Hydraulic calculations of the proposed drainage system, including all design parameters. Results must demonstrate no surcharge for the 1 in 2, no flooding in the 1 in 30 and no flooding of buildings for the 1 in 100 + 45% Climate Change.

- Where flows less than 5 l/s are proposed, a blockage risk assessment must be undertaken. If the risk cannot be adequately managed, a higher minimum discharge rate should be considered / agreed with relevant authority.

- A plan indicating easement SuDS features (including attenuation tanks) should be appropriately positioned, including a 2.5m easement from the existing highway and a 5m easement from any dwellings, guaranteeing accessibility for future maintenance and contingency for asset failure. This practice is in accordance with SuDS Manual (C753).

- A maintenance scheme.

The development shall be constructed and completed in accordance with the approved details prior to the first occupation/use of the development hereby approved.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution, pursuant to policies EN8 and EN14 of the Manchester Core Strategy and National Planning Guidance.

28) a) The development hereby approved shall be implemented in accordance with the submitted Phase 1 Geo Environmental Assessment Report (Ref: KB/C5749/13067 Rev A) prepared by Brownfield Solutions Ltd and Geo-Environmental Investigation Report (Ref: 24-1965-P-R1), received by the City Council as Local Planning Authority on 9 May 2025 and 23 April 2025 respectively.

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority. The development shall then be carried out in accordance with the approved Site Investigation Report and/or Remediation Strategy.

b) Prior to the first use/occupation of the development, a Completion/Verification Report shall be submitted to and approved in writing by the City Council as Local Planning Authority, to validate that the development conforms with the approved Site Investigation Report and/or Remediation Strategy.

c) In the event of any non-conformity with the approved Site Investigation Report and/or Remediation Strategy, then any further measures that are required to remediate the land shall be carried out. Any required measures/remediation and validation shall continue until conformity has been achieved and agreed in writing by the City Council as Local Planning Authority, prior to first use/occupation of the development.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

29) In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time after development commences, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land is submitted to and approved in writing by the City Council as Local Planning authority. The development shall then be carried out in accordance with these details, together with any previously approved Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy.

30) Prior to the commencement of development, a 30 year Habitat Management and Monitoring Plan for the on-site biodiversity enhancements shall be submitted to and agreed in writing by the City Council as Local Planning Authority. The development shall be implemented and maintained in accordance with the agreed details and shall be retained thereafter.

Reason - In the interests of biodiversity net gain being achieved on site pursuant to policy EN15 of the Manchester Core Strategy, policies JP-G8 of Places for Everyone, National Planning Policy Framework (NPPF) and Schedule 7A of the Town and Country Planning Act 1990 (as amended).

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to

addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Mining Remediation Authority.

Application for Section 278 highways works condition discharge may only be submitted following securement of cash bond or surety provision of the total costs of the associated highways works as provided by the statutory approvals team. It is expected that all modifications/improvements to the public highway are achieved with a maximum carbon footprint of 40%. Materials used during this process must also be a minimum of 40% recycled and fully recyclable. Developers will be expected to demonstrate that these standards can be met prior to planning conditions being discharged. The Council seeks use of a standard palette of materials for footway and carriageway construction. For alternatives of a higher standard, a commuted sum (for non-standard highway material and its maintenance) will need to be agreed between MCC and the applicant.

The applicant should be advised that any requirements for licensing, hoarding / scaffolding, Section 50 works skips and any associated temporary traffic management arrangements will need discussion and agreement with the council's Highway Applications and Network Resilience teams via Email: highwaylicences@manchester.gov.uk / highwaynetworkmanagement@manchester.gov.uk.

For any projects that require a S278 highway agreement a Stage 1 Road Safety Audit (RSA 1) is requested to inform the preliminary design at the pre-planning stage - prior to planning approval being granted. This ensures that any underlying highway safety issues have been identified and mitigation is proposed accordingly.

The statutory framework for biodiversity net gain requires a Biodiversity Gain Plan to be submitted and approved to discharge the biodiversity gain condition prior to the commencement of development.

A developer must submit the Biodiversity Gain Plan to the planning authority in writing, no earlier than the day after planning permission has been granted. The use of the Biodiversity Gain Plan template is strongly encouraged to bring together the required information into one document for approval.

The following content of a Biodiversity Gain Plan is required for development:

- information about the steps taken or to be taken to minimise the adverse effect of the development on the biodiversity of the onsite habitat and any other habitat;
- the pre-development biodiversity value of the onsite habitat;

- the post-development biodiversity value of the onsite habitat;
- any registered off-site biodiversity gain allocated to the development and the biodiversity; and
- any biodiversity credits purchased for the development.

In addition, the following is required:

- name and address of the person completing the Plan, and (if different) the person submitting the Plan;
- a description of the development and planning permission reference number (to which the plan relates);
- the relevant date, for the purposes of calculating the pre-development biodiversity value of onsite habitats and if proposing an earlier date, the reasons for using this earlier date;
- the completed biodiversity metric calculation tool(s), stating the publication date of the tool(s), and showing the calculation of the pre-development onsite value on the relevant date, and post-development biodiversity value;
- a description of arrangements for maintenance and monitoring of habitat enhancement to which paragraph 9(3) of Schedule 7A to the 1990 Act applies (habitat enhancement which must be maintained for at least 30 years after the development is completed);
- (except for onsite irreplaceable habitats) a description of how the biodiversity gain hierarchy will be followed and where to the extent any actions (in order of priority) in that hierarchy are not followed and the reason for that;
- pre-development and post-development plans showing the location of onsite habitat (including any irreplaceable habitat) on the relevant date, and drawn to an identified scale and showing the direction of North;
- a description of any irreplaceable habitat on the land to which the plan relates which exist on the relevant date, and any part of the development for which planning permission is granted where the onsite habitat of that part is irreplaceable habitat arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat; and
- if habitat degradation has taken place:
a statement to this effect,
the date immediately before the degradation activity,
the completed biodiversity tool showing the calculation of the biodiversity value of the onsite habitat on that date, and
any available supporting evidence for the value.

There is a standard Biodiversity Gain Plan template available to complete which brings together many of these matters into one document.

The submission of a Biodiversity Gain Plan to a local planning authority falls under Regulation 16 of the Town and Country Planning (Fee for Applications, Deemed Applications, Requests and Site Visit) (England) Regulations 2012 which covers fees for the written confirmation of compliance with a condition or conditions attached to a grant of planning permission.

Date: 28 August 2025

Signed:

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](#)

Standing Advice valid from 1st January 2025 until 31st December 2026
