John,

66 Dudley Road Manchester M16 8DE - 142056/TCA/2025

The applicant has proposed to carry out the following pruning works:

T1) Magnolia - crown lift to 2m by removing secondary branches that droop down below 2.5m back to the primary branches. This will give more clearance to the driveway and pavement

I can confirm that we would have no objection to the proposed routine pruning work.

Kind regards
