Dear Sir or Madam,

Class A, Part 1, Schedule 2 of the Town & Country Planning (General Permitted Development) (England) Order 2015 (as amended)

Application No.: 143808/PDE/2025

Description: Prior notification of proposed larger home extension projecting 6m to the rear with a maximum height of 3.5m and a height at eaves of 2.87m

Location: 44 Turnbull Road, Longsight, Manchester, M13 0PY

The above application was submitted to us on 22 August 2025.

When assessing the criteria of the larger homes extensions under Schedule 2, Part 1, Class A of the above Order, the proposal must comply with all of the requirements to be permitted development; this includes all conditions, limitations or restrictions.

In paragraph A.1(j) of the Order, development is not permitted where "the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse..." and "... (iii) have a width greater than half the width of the original dwellinghouse"; a wall forming a side elevation is any wall that cannot be identified as being a front wall or a rear wall. In the interpretation section of the Order "original" is stated to mean - (a) in relation to a building existing on 1 July 1948, as existing on that date; (b) in relation to a building built on or after 1st July 1948, as so built.

It is clear from the submitted plans and enquiries of aerial photos that the property has an original two storey outrigger that is shared with the neighbouring property at no. 42. The proposed enlargement will wrap around the two storey outrigger at ground floor level, thereby extending beyond the wall that forms the side elevation of this original rearward projection and then extend beyond its rear wall. The width of the enlargement is greater than half the width of the original dwellinghouse and the proposal would fail to meet the limitations of sub-paragraph (j).

Accordingly, the proposal does not satisfy all of the conditions and limitations and is therefore not permitted under the Order and an application for planning permission is required.

This letter is to be treated as a refusal of this application, in accordance with paragraph A.4(3) of the Order, and as such you have the right of appeal under Section 78 of the

Town & Country Planning Act 1990 (as amended). Any such appeal must be submitted using the Planning Inspectorate's website at <https://acp.planninginspectorate.gov.uk/> within 12 weeks of the date of this letter.

Alternatively, if you wish to proceed with the proposed extension, you would need to submit an application using the 'Householder Application for Planning Permission for works or extension to a dwelling' forms and pay the required fee.

Should you wish to discuss this matter any further please contact Angelina Ward.

Yours faithfully,
