Comment Reasons:

Comment: There is no space for this increase in population in the area. Where will local people park, there will be an immense amount of congestion in the area. There are not enough shops and schools to support an increase in population, and in this plan you want to decrease the amount of shops in the local area. Chorlton is not in the city centre. Chorlton is chorlton. Don't destroy it. The math isn't mathing on this.
