Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Pretty obvious objections. Increase of people but lack of supporting infrastructure (parking/amenities/services/shops) prices for the flats are too high-

I don't care about the aesthetics but the fundamentals need to be right.

We need robust green areas, enough amenities and services to support population size and density and affordable accommodation.

This is just an all around bad idea. Seriously. Please rethink.
