Details of the pre-application advice received

The initial application was refused on the grounds of overdevelopment, with concerns relating to the scale and massing of the proposed double-storey side extension, its overbearing impact, and the dormer projecting into the roof of the new extension.

Following this, the proposal has been revised to address the feedback received. The dormer has been lowered and now remains entirely within the existing roof space, as requested. In addition, the side extension has been reduced to a single-storey structure to further minimise the overall massing and visual impact

- (a) a member of staff
(b) an elected member
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
