Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The proposed blocks of flats would be too high, out of character with their surroundings and would be an eye sore in the centre of Chorlton. They would lead to overpopulation of the area, with additional traffic and general disruption, with insufficient infrastructure, parking spaces and green spaces as part of the development. I also object to the lack of social housing forming part of this development.
