Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Charlton development issues -

1. Height and number of buildings massively increased from original proposal.
2. Green space reduced and trees to be felled.
3. No mention of increased infrastructure such as doctors, parking etc.
4. Traffic increasing in already gridlocked crossroads.
5. No social housing which was planned before.
6. Increase in population is really high!
