Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:I would like to raise concerns regarding the proposed high rise flats for Chorlton. This is not in keeping with the neighbourhood, there are far too many flats for the infrastructure of the area. We need the 22 shops initially proposed, this is now reduced by half. We need larger green spaces and to not lose the existing trees. There is already a lack of parking for residents and visitors to Chorlton, where will all these new residents park..262 flats? And where are the new houses originally proposed?
