DAY Architectural Ltd does not warrant or take responsibility for any costs, losses or claims whatsoever arising from these drawings, specifications and related documents unless there is full compliance by the intended recipient or user with the following:

1. All the statistics, dimensions and levels are to be checked on site before construction and any discrepancies reported to the Architect / Designer prior to commencement of any works.
2. Partial Services: Any discrepancies with site or other information is to be advised to the Architect / Designer and direction and / or approval is to be sought before the implementation of the works.
3. Block and site plans are reproduced under license from the Ordnance Survey.
4. For the purpose of coordination, all relevant parties must check this information prior to implementation and report any discrepancies to the Architect / Designer. The information must not be used and only be used for the coordination and/or construction of the current project.
5. The copyright of the drawings and all intellectual property rights (including Design Rights). The information is only for use in preparation of documents for this project. The information issued is not to be copied or used in any other way than for the intended purpose.
6. The recipient is responsible for verifying the correctness and completeness of the information issued. This should be done by consulting all relevant associated documents including but not limited to information provided by the Civil / Structural Engineer, MEP Engineer(s), Fire Engineer, Acoustician, Pathways Consultant, Flood Risk Assessor, Party Wall Assessor and any other project designers / consultants supplied during the course of the project and by confirming dimensions on site.
7. It is the responsibility of the recipient to ensure they have the most up to date information.
8. If altered or added to in any way, all references to DAY Architectural Limited must be removed and those making the changes assume total responsibility for the information thereon.
9. The Architect does not warrant that planning permission, Building Control/Building Safety Regulation Approval and other approvals from third parties shall be granted at all or, if granted, within any time limit or in accordance with any anticipated timescale. All dwellings provided are subject to such approval.
10. Any location plotting (marking) on maps by DAY Architectural Limited is in relation to indicatives (design intent only) and DAY Architectural Limited shall have no contractual or insurance liability for such broker investment protection.
11. This drawing must not be used for 'construction' purposes unless noted otherwise.

12. Do not scale off drawings. Any measurements taken from information which is not dimensioned on the electronic copy are at the risk of the recipient.
