Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This cafe has been such a wonderful community space since it opened in 2023. I feel very lucky to have an independent and welcoming coffee shop and drinks establishment in my neighbourhood and have spent several happy days and evenings here. In a time when we're crying out for spaces like this, it would be more than a shame to threaten SMP's contribution to Withington and Manchester's wider hospitality scene by restricting the hours residents can spend here. Please support this small, new local business to continue providing joy to the people that live here.
