Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: As a person who has been part of the Chorton area for over 15 years, I wish to strongly object to the proposal of building a 10 storey block of flats in the centre. I know there is a housing shortage locally but there's a place for buildings of that height and the centre of a smallish town isn't one of them. I would totally dwarf the buildings around it and look so ugly.

A tower block there, what are you thinking ? I have worked as an artist all of my life and am concerned with the aesthetics of the landscape around me. This is purely unnecessary and overbearing.

Please take note of my strong objection to the notion of this Highrise.
