Subject: Longley Lane Mrf Planning Application

Hi,

Regarding the above application, in order to allow for neighbouring consultees we would need a site notice for this application for a period of 21 days.

This should have been done with the press advert, however there was a miscommunication with processing the site notice, with this we are requesting an extension of time in order to have the 21 day period for neighbouring consultees.

We are requesting a new extension of time for the 6th of October, please would you write back confirming if you accept this.

Apologies for the delay in the application, and I will come out to site myself to set up it this week.

Kind regards,

Ciara Gettinby (she/ her)
