General Notes

No liability is accepted for the use of this drawing for any purpose other than that for which it was prepared. The drawing shall not be used to calculate areas for the purpose of planning or other legal requirements. The drawing shall not be used to calculate areas for the purpose of planning or other legal requirements. The drawing shall not be used to calculate areas for the purpose of planning or other legal requirements.

Notes

Do not scale from this drawing

All setting out, levels and dimensions to be agreed on site.

The dimensions of all materials must be checked on site before being laid out.

This drawing must be read with the relevant specification clauses and detail drawings.

Order of construction and setting out to be agreed on site.

This drawing is copyright protected and may not be reproduced in whole or part without written authority.

All dimensions are in millimetres unless Otherwise Stated

Services are present in the area. Contractor to establish the precise line and depth of all services prior to commencing any excavation works.

All structural concrete/ building work to Engineer's details & dwgs

All dimensions are to finished surface levels

All sub-surface build-ups to Engineer's details

Dwgs not to be scaled. Used dimensioned measurements only. Contractor to check and confirm.

All discrepancies must be reported to and resolved by the Landscape Architect before works commence

All works and materials to be in accordance with current applicable statutory legislation and to comply with all relevant Codes of Practice & British Standards.

Stage 4a DRAFT Status:

Please note this information is not fully coordinated. Only limited engineering was made available during Stage 3 design. The Contractor is to develop their Final proposals based on SEW Design Drawings and Specifications. The Contractor's Design Proposals shall include details of their Design, Programming, Method Statements and coordination with all other works. The Contractor is to forward their Final Proposals to SEW to confirm that they meet with SEW Employer's Requirement Proposals.
