Comment Reasons:
Comment:The original plans did not indicate high rise (over four storeys high) buildings. This is not in keeping with the character of Chorlton. There will be too many residents for such a small space. There are no family houses (as we were led to believe) on this plan. I am unclear about the nature of the retail premises. We do not want more small gift & card shops or any more nail bars. We need real shops that sell quality products at prices we can afford. Am not clear about the central green space. Is it large enough to create a calm and serene environment.... With seating for people who need it. This is a chance to make a positive difference to people's quality of life.
