Morning Steve,

Thanks for sending the updated plan across showing the updated cycle parking arrangements. Please see Highways response below:

FURTHER HIGHWAYS COMMENTS 8TH AUGUST 2025:

- Drawing '2594 / P410 / Rev G – Proposed GA Site Plan details that Sheffield stands will be provided externally for the use of customers and staff cycle parking will be provided within the internal delivery area. This is acceptable in principle.

Please note TfGMs comments in relation to lighting and CCTV. Please also note TfGMs comments in relation to onsite showers, lockers and changing room facilities for staff.

Many thanks,

I'm not sure if you've seen this plan, but the layout was updated to respond to the cycle parking point. Please let me know if you have any further comments.
