MANCHESTER CITY COUNCIL

Appendix E - Waste Management Strategy (v7.00 from September 2023)

Planning Application Number:
Date Submitted:
Estimated volumes / m2 required by the development

Will this property be used as a House in Multiple Occupation (HMO)?	No
If this property will be used as an HMO, how many people do you intend to accommodate (5+)?	N/A

Low Rise Domestic

Waste Types	Capacity required (litres)	Number of bins required (per household)	Confirm what is to be provided (and whether the developer or the resident will be responsible for ordering these)
General refuse	140 standard / 240 in certain circumstances	1 x wheeled bin (possibly more for HMO)	
Pulpable Recycling	240	1 x wheeled bin (possibly more for HMO)	
Mixed Recycling	240	1 x wheeled bin (possibly more for HMO)	
Garden Waste	240	1 x wheeled bin (possibly more for HMO)	
Food Waste	23	1 x 23 litre caddy (Possibly more for HMO)	

High Rise Apartment Developments

0.43m2 has been provided per apartment for the containers, with extra space for residents to access each container and space for staff to manoeuvre each container for collection. (different for purpose-built student accommodation – see guidance) Note 0.23m2 has been provided in line with guidance for PBSA (With weekly private collection so litreage reduced by 50%)	Yes / No (delete as appropriate) How many of each container do you plan to provide? _____ x general refuse x 1100 litre (based on 110 litres per apartment) — 3 x 1100l Eurobins / 2 x 240l bins _____ x pulpable Recycling x 1100 litre (based on 55 litres per apartment) — 1 x 1100l Eurobins / 2 x 240l bins _____ x mixed recycling x 1100 litre (based on 55 litres per apartment) — 1 x 1100l Eurobins / 2 x 240l bins _____ x food waste x 240 litres (based on 10 litres per apartment) — 2 x 240l bins _____ x garden waste (if applicable) x 240 litres — 1 x 1100l Eurobins / 2 x 240l bins
Is it as easy, or easier, for residents to recycle, as it is for them to dispose of general waste?	Yes

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste - Dry recycling (include material type details) - Food Waste - Industrial Waste - Other -

Has / will a contract be obtained with a licenced waste carrier?	Yes

Mixed Use Developments

Are the stores for residential and commercial waste completely separate from each other, with residents having no access to the commercial store and the commercial units having no access to the residential store?	N/A

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Storage caddies for each waste stream will be provided within each studio.iance with the waste strategy Residents will be required to decant their waste to the central bin store in the courtyard. Oversight will be provided by the management company to ensure compliance.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Ref drawings Ref drawing
