

01 3000 **Section AA** as existing. 1:5

02 3000 **Section AA** as proposed. 1:5

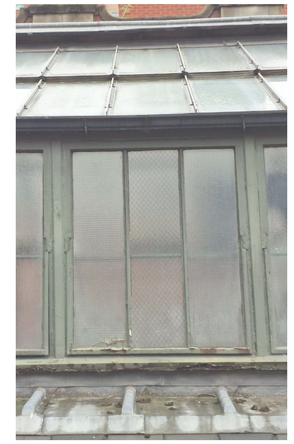

03 3000 **Window** as proposed. 1:5

NOTES

- The existing building and site drawings are based on client issued survey drawings which shall be referred to for measurement of the existing property. Dimension TBC on site.
- The fabric must be worked on with great care, by specialists skilled in heritage work.
- No hot works are to take place on the roof. Any hot works taking place on site require a permit.
- Levels and arrangement to be reassessed following roof stripping.
- Allow for adequate time in the program for inspection and detailing of any repairs.
- The proposed works have been drawn up based on a limited inspection from ground level only using binoculars and an accompanying drone survey. All works to be reassessed and confirmed when scaffold access available.

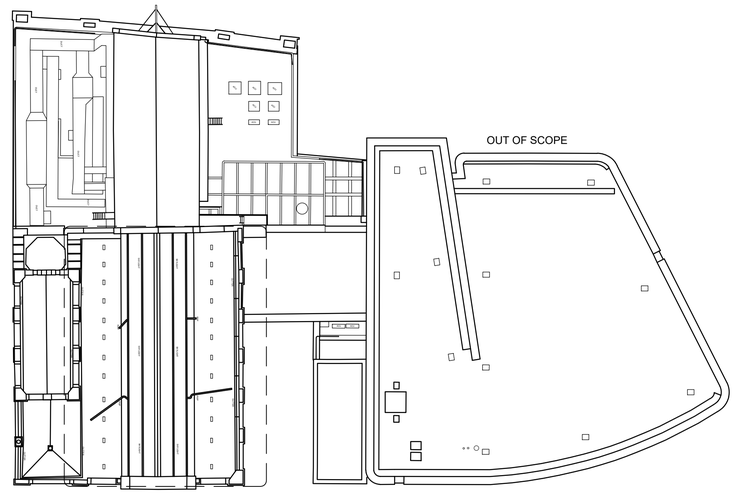

04 3000 **Existing internal window** Photograph

05 3000 **Existing external window** Photograph

Allow for the opening mechanism to be overhauled and refurbished, and return the windows to their operable state.

- **NOTE:** Each bay contains 3no. horizontal centre-pivoting windows. A total of 7 bays across each elevation, with a total of 21 windows per elevation (east and west).

06 3000 **ROOF PLAN**: Key plan. 1:nts

Notes

1. Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.
2. Where colours other than black or grey are used, the drawing must be plotted in colour.
3. For status 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, scaling is for Local Authority purposes only.
4. Unless otherwise indicated, all dimensions are in millimeters.
5. All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates specification and trade contractors' drawings and information by specialists.
6. In the event of any discrepancy, please contact us immediately.
7. This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.
8. These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.
9. Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
