Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:I strongly object to the planning application for the following reasons:
1 - too many apartments and far too high for a suburban area
2 - not enough retail space
3 - no houses when family houses are in dire need
4 - too much traffic already
5 - not enough car parking
6 - we want a Chorlton where people come to shop, for leisure , to spend with independent traders not an area of high rise apartments
7 - not enough infrastructure already
8 - lack of green space
9 - does not seem to take into account concerns raised via the consultation and this plan is a big departure from the previous plans the consultation was actually based on
