Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: It looks far too tall, and I think the associated cars will greatly add to the traffic in the area. I'm for more people living here and making use of the space but it is clearly going to be far too many people shoehorned into an already busy place. The tallest current residential building in the area is 5 stories. I would suggest that as a starting point.
