Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:As someone who had lived in and will be moving back to Chorlton I must express my strong objection to the proposals. I appreciate the need for more available housing around Manchester, however I believe any building above four storeys would be completely against the character and essence of Chorlton. It would also overwhelm the local services and exacerbate the already high levels of traffic in the area.
