Part 1 – Particulars of the application

Proposal: Two digital 75 inch LCD display screen, one on each side of the Street Hub unit.

Location: Footpath Outside 1054 Ashton New Road, Manchester, M11 4PE

Date of application: 14 April 2025

Application number: 142710/AOH/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that consent for the advertisement(s) referred to in Part 1 has been **refused** in accordance with the application and plans submitted for the reason(s) listed below.

Reason(s) for decision

1) The proposed advertisements (incorporating changing images), by virtue of their position, size, appearance, means of illumination and method of display, would introduce visually intrusive features in the street scene. The resulting harm to the amenities of the area and the character of the street scene would be exacerbated the highly prominent display of illuminated images on two elevations of the related hub structure. The proposals would thereby further lead to an over proliferation of displayed signage and visual clutter. The resulting adverse impact on the amenities of the area and character of the street scene would be contrary to policies SP1, DM1 and EN1 of the Core Strategy for the City of Manchester, saved policy DC15.1 and DC15.2 of the Unitary Development Plan, policy JP-P1 of Places for Everyone Joint Development Plan and the National Planning Policy Framework (NPPF).
