Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The height of the building (10 storeys) is higher than the current structure and is inappropriate for a suburb. The density of the housing is inappropriate for the current infrastructure of medical and educational provision in Chorlton which is already lacking. The parking availability considering the central location and number of retail units (and housing occupants) is ill thought out and insufficient.
