Comment Details

Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:My recent for objecting to the proposals is that they look very different to the proposals that we were consulted on over a year ago. I am also concerned that this Final consultation has been very poorly publicized and I only heard of it yesterday through a WhatsApp group that I am a member of there needs to be a longer and more accessible consultation on final proposals as these are making significant changes to what was earlier propsals
