Comment Reasons:
Comment:The plans have changed since they were first done. These high buildings will not look good in Chorlton square. Graham house was set back away from the main Rd surrounded by shops, so it didn't look like an eye sore. 6 floors and above isnt a right look for Chorlton. Chorlton square was thriving with amazing small businesses. We need more shops and parking for the shoppers and residents. Stick to the original plans for apartments and shops, thank you.
