Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to this, This will really spoil the look of Chorlton, create more traffic & potentially more parking required outside the planned parking (often more than one car per household). We already struggle to park on our road (Nicolas) outside our own home. We really need some of the shops that went to come back & don't need to add more flats. There is too many people in Chorlton as it is.

We do not want high rise buildings & to start to look like the city center & want to keep a village feel to the place.
