Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to the proposal, believe it should be kept intact as originally designed.

Modernist design by such an important artist is an all too rare way marker into architectural design and the built environment at that time, I firmly believe that we must safeguard the architectural fabric of this period, as part of the nation's heritage, with the same sense of duty, passion and determination that we bestow on earlier forms and edifices.
