I'm registering an objection to the newer plans of partial demolition to make a car park.

It does not mention how many cars the space will be for on an already extremely busy road.
Many drivers are currently using pavement areas totally blocking access for pedestrians.

I can't see how these new plans will make the situation any better, it will be a lot worse making the surrounding space dangerous for road users & pedestrians alike.

The garage next to the building already take up a lot of parking spaces on the car park & on Kenyon Lane so an increase in business from the planned commercial retail building will exacerbate the problem.

Regards

Hi am objective about 18 Kenyon Lane
Main points for objection, would be the traffic regardless of the car park he is intending to make. These roads are not big enough for the traffic of the HGV's that deliver to this premises, it is a short step away from the MIP which causes huge problems with traffic and congestion. We also have a car wash and car garage next to it which have overflowing cars parked all around. It is a small building in the middle of residential properties, even the changes he says he will make to the property will affect the day to day living of the residents

Apart from the underhand procedures from planning and the whole of LABOUR COUNCIL I WANT TO WHOLLY OBJECT TO 18 KENYON LANE BEING TURNED INTO ANOTHER SEGREGATED SUPERSTORE!!! Segregation is growing rapidly everywhere. How many more superstore do we need in Moston. NONE! There's a minimum of two on every row of shops let alone the old mip market. Isn't that why they built ASDA AND LIDL bottom of the lane to do away with business on moston lane. Why not a hardware shop or pet shop. There is enough super stores selling peppers and corn and certainly enough shops selling wigs and size 15 brown shoes. I wholeheartedly OBJECT to the application of 18 Kenyon lane being a superstore. More mess more stink MORE RATS!!!

Hi I would like to object to the planning permission in the old lightbown liberal club to be. Moston super store with bowling
I believe this will attract a lot of unnecessary people to the area and I. The light if what has taken place over the last week there will be a lot of unrest
I don't think a bowling alley within a shop would be the right thing for Moston who will supervise the comings and going is it to have an alcohol license
