Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Hello

I would like to object to the high rise nature of this development . 10 stories is far too high , compared to new developments elsewhere in Chorlton who have not been allowed to go this high . I also object to the housing plan in general , the focus of this development should be a shopping centre at the heart of Chorlton as a community hub. Given the cycling paths , thought should be given to disabled parking access too .
