Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Destruction of such an architectural and artwork creation is unacceptable - the loss of our culture is detrimental to the wellbeing of all users. I object to the proposal to destroy the Butterfly Stairs, greed and profit are not conducive to the cultural wellbeing of the population. It is not sustainable for the planet, resources are finite, we cannot keep usurping our precious resources
