Part 1 – Particulars of the application/development

Proposal: Retention of shopfront, signage and roller shutters, together with canopy to the front with associated metal barriers

Location: Miami Crispy , 5 Meldon Road, Manchester, M13 0TZ

Date of application: 7 May 2025

Application number: 142884/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal does not improve the social and environmental conditions of the area, nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable, and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposed shopfront alterations, projecting canopy and associated metal barriers, by reason of their inappropriate scale, massing, design and materials, would introduce detrimental visual elements to the street scene, and would form an overly dominant, visually incongruous and obtrusive structure which would not be sympathetic to the appearance of the application property or its surrounding area, to the detriment of visual amenity and, as such, is contrary to saved policy DC14 of the Unitary Development Plan for the City of Manchester, policies SP1 and DM1 of the Manchester

Core Strategy, the Shopfront and Signage Design Guide, policy JP-P1 of the Places for Everyone joint development plan document and chapter 12 of the National Planning Policy Framework.

2) The proposed projecting canopy and associated metal barriers would lead to an increase in the levels of activity associated with the premises, including increased loitering outside the premises, increased 'comings and goings', and noise disturbance. This in turn would have a detrimental impact upon the residential amenity of neighbouring occupiers, contrary to saved policy DC26 of the Unitary Development Plan for the City of Manchester, policies DM1 and SP1 of the Manchester Core Strategy and the provisions of the National Planning Policy Framework.

Date: 2 July 2025

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
