Hi Lea

Please see recommended condition and comment below:

LIGHT
Illuminated signage

Lighting from illuminated signage shall be designed and installed so as to control glare and overspill onto nearby properties.

Reason - To safeguard the amenities of the occupiers of nearby properties.

*The signage will need to be selected and installed so to not exceed 300cd/m2

** The information submitted with the application confirms the illumination level will meet the above criteria which we can accept and do not have any further comment on this application

Kind regards

Graeme
