Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Having a homeless shelter in a family residential area in close proximity to 4 high schools and a primary school and a local park is unsafe for the local residents and children attending these schools. It will likely bring crime and drug use to the area esp in the park and pose a hazard of needle stick injuries and the likes to our children and community. I wholly object to this proposal on the grounds of public safety for the sheer volume of children that attend these schools in the vicinity. There is no guarantee these homeless individuals have not been involved in any criminal activity. They may be convicted pedophiles or on the sex offenders register and should not be placed near any schools.
