1.0 Photographic Record

1.1 General

1.1.1 A selection of 'as existing' photographs have been provided across the Goods Office Yard with respect to key features, elements / components, and/or key views in and around the Science & Industry Museum site for information.

1.1.2 The photographs are not to scale.

1.1.3 The photographs are not to be used to record condition.

1.1.4 The information and background content included within the photographs may well have changed since the photograph was taken.

1.1.5 The tendering contractor is encouraged to visit site to gain an understanding and familiarity of the constraints, access, and general site limitations, prior to submitting their tender.
