Comment Details

Commenter Type: Neighbour
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:There is insufficient infrastructure for this development and the large number of other homes. There isn't enough parking for residents and therefore this would clog up surrounding roads and mean there might not be enough parking for shoppers including disabled people. The proposed green spaces are too small and some of the trees will be lost. In Chorlton, we don't have high rise buildings and don't need them in the middle of the area creating an eyesore.
