Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: How can there possibly be consideration of a 10 storey building in a suburb? This is absolutely ridiculous and will be a total eyesore directly on the street, this is not the centre of a city where that would belong.

The fact that there is so little retail space is also awful when this is so central to Chorlton.

This needs to be scaled down and not just consider the profits of those involved but the residents of Chorlton.
