Hi Angela,

Hope you are well.

Further to the below agreement reached on the fabric repair strategy (117-119 Portland St Main Entrance), the team has prepared a Repair Sample Document (attached). We would be grateful if you could review (/issue across to Conservation Officer), and let us know if this would be sufficient for the main entrance fabric repair sign off via Exchange of Correspondence?

Many thanks in advance! Please let us know if you have any queries / if a site visit is required and we can coordinate with the project team. I look forward to hearing from you.

Kind regards,
Matt
