

Full details of the servicing (deliveries, collection, timings, maintenance) to the use. This should include a plan demonstrating how the servicing operates, the size of vehicles used and the frequency of servicing.

The gym will have occasional equipment deliveries using medium vans or small trucks, typically 1–2 times per year during weekday off peak hours. **(12:00pm and 16:00pm)** Deliveries will access the loading bay adjacent to the unit with on-site parking for unloading. Routine maintenance visits by small service vans will happen monthly to ensure equipment safety and functionality.
