Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:The reasons for my objection are as follows:
The noise and disturbance generated from that pitch on school days is excessive to say the least- but we put up with it as it is for the school. To subject us to that kind of noise , disturbance and disruption on a weekend-our days of rest- i feel is unjustified and will impact our general well being and mental health.
I am concerned about antisocial behaviour that may result, and the lack of presence of an appropriate appointed supervisor/point of contact/operations manager to deal with such matters, and also how we would be able to contact them directly if problems were to arise.
Parking is already a major issue -so where will these visitors be parking?
I object to this proposal
