Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:In short, I feel this is an act of vandalism that can, and should be avoided. As somebody who has used the 192 bus for 35+ years. It is something I always look out for, and to be quite honest look forward to seeing. Manchester is losing it's character because of laziness by developers, and being allowed to get away with destruction, uncontested. There has to be a way to keep this intact, and to make it a centre piece of some kind. Cutting it in half is just ludicrous in any way shape of form. Anyway, I could go on but I qill repeat. I object to this in the strongest possible terms.
