Part 1 – Particulars of the application/development

Proposal: Change of use of upper two floors from 4 x 2 bed flats to 10 bed house in multiple occupation (sui generis).

Location: 486 Cheetham Hill Road, Manchester, M8 9JW

Date of application: 14 April 2025

Application number: 142235/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, and invited the withdrawal of the application, but the applicant did not take up this option. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed change of use would result in the loss of 4 units of family sized accommodation which would reduce the standard and availability of such housing in the area, undermining the provisions of policies H4, H11 and SP1 of the Manchester Core Strategy, which seek to provide an appropriate mix and balance of housing provision in the locality, in order maintain a sustainable neighbourhood and cohesive housing market.

2) The proposal would result in an over intensive use of the property resulting in the creation of low quality/substandard living accommodation for the occupants of the development, including the lack of adequate parking arrangements which would create

the demand for on street car parking, within the local area. In addition, the proposal would result in a significant intensification of occupation, waste generation and comings and goings at the site which would increase level of noise, disturbance and activity for proposed and existing residents. The proposal would therefore have an unacceptable detrimental impact upon the residential amenity of of residents in the surrounding area and would therefore be contrary to the provisions of policies SP1, H11, T2 and DM1 of the Manchester Core Strategy, saved policy DC26 of the Unitary Development Plan for the City of Manchester and guidance in the National Planning Policy Framework.
