Comment Reasons:
Comment:10 storey block of flats is far too high in Chorlton, 8 is bad enough but to push for 10 is ludicrous and sheer greed. I notice there doesn't appear ti be any social housing or shared ownership at all, 12 parking spaces for the general public is a joke and the green space has been reduced since the first plans were made. All in all what could have been a beautiful development has been sold out to pure greed. Such a shame.
