SmartFence is a stylish and competitively priced flat packed fencing solution that you can assemble on your own in a matter of minutes, saving you the cost of employing a specialist tradesman. This stylish and long-lasting fence comes with a maintenance free enjoyment and privacy for many years to come.

As its made from high-quality, strong and resistant steel, SmartFence is resistant to high winds and adverse weather conditions. Furthermore, it has a superior durable abrasion resistant front and back colour coating. Its Galvanised steel substrate is extremely corrosion resistant and the PVC exterior finish has UV Protection to provide the highest retention in colour.

- Colour: Merlin Grey
- Size: 1.80 m x 1.50 m
