Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object in the strongest terms.

This is not what was originally presented and is disingenuous of the Council to behave this way. From the perspective of public feeling in the Council this would be a huge error of judgement.

For Chorlton this would be a disaster. Chorlton doesn't have the infrastructure to support this, it's as simple as that.

It is far too many flats in the heart of the village and will undermine its character and change it beyond recognition.
